If no, how was permission to inspect given?

Letter dated:

phone call on:

verbal authorization received:

## Inspection

*Review the attached list of **Prohibited Activities** and **Allowed Uses** or **Reserved Right** and the last inspection report to determine whether the terms of the Conservation Restriction are being observed.*

Are there any violations of the terms of the Restriction?    yes    no    (If yes, describe below.)

Does the Landowner agree to correct noted violations?    yes    no    What steps will be taken?

Are there any allowed uses that have been conducted since last inspection?    yes    no  
Were these uses conducted in an environmentally sound manner? Describe below:

Does the Landowner expect to conduct any new activities in the next year?    yes    no  
If so, what? *(If Landowner did not participate in the site visit, determine by phone call, etc.)*

What is the condition of the property? *Note any significant undocumented effects from fire, erosion, floods, blow-downs, vegetation change, etc.*

Are there any changes in surrounding properties: development, erosion, tree cutting, etc?  
yes    no    Describe below.

Does the CR have public access?    yes    no    If so, is this access properly maintained?

**Photos**

Were photographs taken?    yes    no    How many?

*Pictures should try to duplicate photo locations and views found in the baseline documentation for the Conservation Restriction, or where a change in the property has occurred. Pictures should be developed, labeled, and sent to office, or labeled and transmitted to office electronically.*

**General**

Were any interesting plants, animals or other natural features observed?    yes    no  
Describe below.

Other comments:

**Monitor's Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_
