Children's Hiking Challenge: Get Outdoors & Have Fun!

NAME:

How It Works. Children ages 3-10 set a goal to walk
10 or 20 miles in Falmouth's conservation lands.
They keep track of their mileage and earn a prize
when they reach their goal.
The Prizes. Children who complete 10 miles email a

The Prizes. Children who complete 10 miles email a photo of their mileage sheet (along with their mailing address) to saveland@300committee.org and receive a handwritten congratulatory note and several nature-themed temporary tattoos in the mail. Children who make it to 20 miles can turn in their mileage log at either Ghelfi's Candies for a free ice cream cone, or at Eight Cousins Bookstore for a free "Who Was" biography book. Both stores are on Main Street in Falmouth.

My reward was redeemed at Ghelfi's Candies (stamp or employer signature):
