

## Trail locations

*For more information & trail maps visit [300committee.org/land-trails](http://300committee.org/land-trails)*

**River Bend Conservation Area** (682 Sandwich Road) From the parking area, head downhill and go left toward the Coonamessett River. The trail then turns right and continues north for about 0.1 mile, before looping right two more times and heading back uphill to the field. Distance: less than 0.5 mile.

**Teaticket Park** (205 Teaticket Hwy) We encourage you to walk the pathways in the Park as a "streetscape" at the top of the slope, then looping around and crossing the wetland meadow before venturing to the hillside trail that includes the wooded area and the outdoor classroom. The entire Figure 8 is approximately 0.8 miles.

**Two Ponds Conservation Area** (389 Gifford Street) Park in the lot for Atria Woodbrar Plaza. Follow the paved pathway to the boulder marking the "Jeffress Williams Pathway," which leads to the boardwalk. At the end of the boardwalk, follow the trail along the bog bridges, then continue around to the left on the well-defined, wide path that leads back to where you started. Distance: 0.75 mile.

**Coonamessett Lower Loop** The trailhead and parking area are off John Parker Road, accessed from a dirt drive directly across from Clark Street. The Lower Loop trail (soon-to-be fully accessible) is a flat loop that includes both sides of the Coonamessett River and both pedestrian walkways/river crossings (Swift's Crossing and Dexter's Mill). The entire loop is approximately 0.7 miles.

## Trail descriptions

### Hike 4 Falmouth Trails!

Get outside and enjoy nature !

The 300 Committee Land Trust challenges you to find your way on four local trails. Share your adventures with us and be entered to win a raffle prize.

Keep track of your outings on this Falmouth Trail Challenge passport. To submit for the raffle, take a selfie of you on the trail and post it to social media [#T3CTrailsChallenge] OR send us an email with your trail photo [saveland@300committee.org ].

*Falmouth Trails Challenge is an effort by The 300 Committee to inspire youth and their families to get outside!*

MARK YOUR TRAILS <i>with a picture of something you observed on your hike</i>
