

How to Use Landscape for Monitoring

2026 Annual Monitoring Program

What is Landscape?

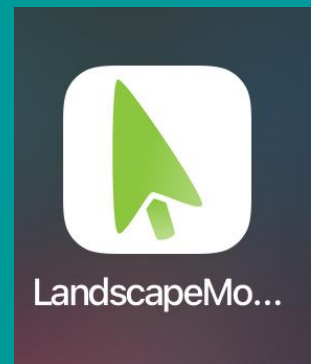

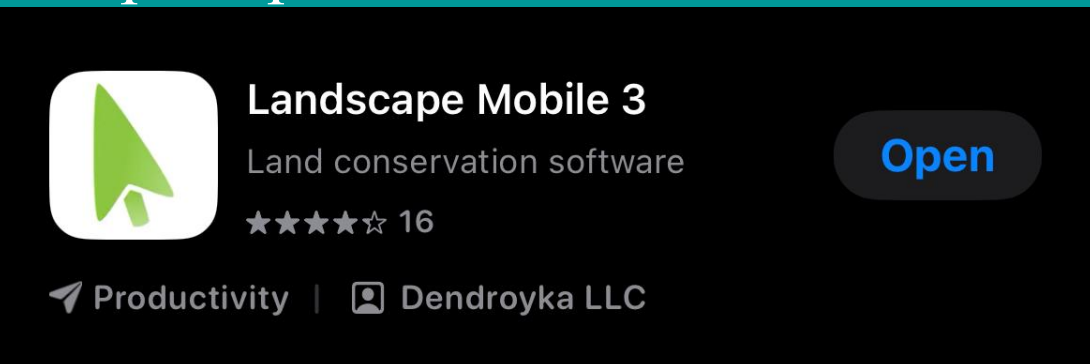

- Software program
- Monitor owned and managed properties
- Keep track of issues that need to be addressed
- Available in both a mobile and desktop version

LANDSCAPE

How to download on your Phone

1. Open the app store on your cellular device
2. Download **Landscape Mobile 3**
 - Available for both iPhone and Android (version IOS 13 or later)
3. If you already have an account, open the app and enter your username and password if prompted

App store view

Home screen view

For New Users:

4. You will receive an email invitation to sign up that includes a temporary password
5. Click the link in the email and sign in with your username (email) and temporary password
6. Follow the instructions to change your password
7. Note your new username and password
 - You will need this information to log into your account in the future (both desktop and mobile versions)
